Dear Mr. Iaquinto,

Thank you for presenting to the Health Education Advisory Council. This letter is to inform you of the outcome regarding your request to add the *Commit To Be Fit Kids* program to the Duval County Public Schools "Approved List of Speakers/Programs". The Council unanimously approved the educational portion of this nutrition and physical activity program, which strives to teach children the importance of proper hydration and help them with decision-making skills, while enhancing their physical fitness.

Please note that any changes made to the program or presentation will require prior authorization. Thank you again, your desire to make such a positive impact on our students is commendable.

Sincerely yours,

Kathleen M. Bowles, Supervisor
